Porsche 924/928/944/968 - The Complete Story - a new book by Glen Smale

Kim Henson reports...

For Porsche enthusiasts it's party time - the 924 is 40 years old this year, and Porsche celebrated this milestone with a press conference in Stuttgart, at the company's Museum.

The 924's designer, Harm Lagaaij, was on hand to address journalists. Lagaaij also explained the design background of the 924 and the 968, both of which he designed, in this book by award-winning author Glen Smale. Copies of the book are available here...
