Entry for participants is from 9.30 am, when the Brabazon Restaurant will be serving hot drinks and refreshments.

Mental Health Motorbike will be back at Beaulieu Bikers' Day to offer support to visitors. This free mental health charity aims to improve the wellbeing of the motorbike community and invites everyone to stop by their stand for a friendly chat.

A helmet park will be available on site allowing riders to enjoy their day without the hassle of carrying their helmet or worrying about where to leave it. Cash donations to Mental Health Motorbike are gratefully received for using this service.

It wouldn't be a Beaulieu rally without an award! All riders will be in with a chance of going home with the Best in Show Award, as voted for by anyone at Beaulieu Bikers' Day. The winner and two runners-up will be announced on the Beaulieu Arena at 2pm for the prize-giving.

A selection of motorbikes from the National Motor Museum collection will be started up at the show, giving onlookers the chance to experience the sights, sounds and smells of these incredible machines. Details of the vehicles being started up will be released nearer to the show.
