It welcomes trucks from countries across Europe, including France, Belgium and the Netherlands, bringing over 300 trucks from 1971 to 2001 together to create a amazing display. The *MX-5 Owners Club National Rally* is returning this September, with over 1,500 cars expected from the UK and beyond. This is nothing less than the world's biggest event of its kind, and the rally is the backbone of the UK's MX-5 community. There is no better place to connect with fellow fans and leading specialists.

The *DR1VR Show* is bringing its legendary show back to the Museum, so whether you're a tuner or a fan, this is the place to be! No matter your build, whether bagged, on coilovers, wrapped or painted, it has a place here. Expect live music, hundreds of like-minded petrolheads, and an epic show-car display. Bringing together modern and classic stance, track builds, and timeless classics, DR1VR Show is the place to be for any modified car enthusiast.

Rustival is back for the fifth time, as open-hearted and unpretentious as ever. Hosts Ian and Carly from HubNut, Steph from IDRIVEACCLASSIC, and Matt from Furious Driving invite visitors to bring along their ride and take their place amongst a line-up spanning every decade of motoring. From polished pride and joy to gloriously weathered survivor. Cars, bikes, buses and everything in between. Expect surprise guests, generous conversations and good food. At the heart of it all is the renowned Friendship Corner where usernames become handshakes and newcomers become regulars.

The Jaguar Daimler Heritage Trust (JDHT) is once again partnering with the Museum for its annual gathering of Jaguar enthusiasts at *Jaguars at Gaydon*. Hundreds of Jaguars will be on the prowl in the show arena, alongside Daimlers, Swallows, SS and Lanchesters. The roving commentator will meet owners and share the stories behind these remarkable vehicles, highlighting the passion, craftsmanship and history that make them so special. The event will also feature the *Champion of Champions Concours*, showcasing a selection of outstanding vehicles from across the Jaguar community.

Every era will be represented, from the legends of WW1 and WW2 to the cutting-edge jets of today. Best of all, no flight line fencing means visitors can get up close to these incredible models. Visitors can enjoy a huge trade area, packed with everything needed to get their model aircraft dreams off the ground, from parts to prebuilt models. Plenty of builders and pilots will be on hand to talk about their creations.

The Porsche Boxster 30th Anniversary will celebrate one of Porsche's most iconic sports cars, which turns 30 this year. With a display spanning every era of the Porsche Boxster, from the 986 to the 718, this is the largest Boxster gathering the club has ever run. Along with the displays, visitors will also have the chance to mingle with Porsche enthusiasts, share their passion, and shop for parts from leading vendors.
