For the enthusiast who has everything, why not adopt a car? There are hundreds in the collection to choose from, so you're bound to find something they'll love. Adoptions start from £25 and the scheme supports the overall work of the British Motor Industry Heritage Trust. Adopters get a digital adoption certificate and their name added to the car's listing in the Online Collections. It's the perfect gift for anyone who worked in the British motor industry or has always loved a particular British classic.

For anyone who owns a cherished classic car 'Heritage Certificates' are an ideal gift and are available for just £48 plus P&P. The Certificate is an official 'Certified Copy of a Factory Record' showing the car's specification as it left the production line. Details are taken from
