Where is Graham King's Escort? He would welcome any news regarding its whereabouts...

Graham King's bronze-coloured Ford Escort Mark I two door saloon, registration UFX 365L, has still not been located. It was stolen on April 12th, 2022 from a private driveway in Wallisdown, east Dorset, and it is believed that it was taken in the early hours of the morning.

Graham is definitely not giving up on his 'lost' Escort, and is appealing once again for any information. [He is offering a substantial reward for genuine information leading to safe recovery of the car, which he has owned for many years.](#)

At the time that the car was stolen, it had a car cover on it and a Krooklock was fitted, also the passenger front seat was not installed.

[If you have ANY information, or if you can recall seeing the car being driven or on a recovery truck in the early hours of Tuesday 12th April 2022, or if you have seen the car parked anywhere, or maybe have been offered an Escort, or parts, or have any information at all, please contact the police and/or Graham directly. His Mobile number is \(07982\) 054324.](#)

Alternatively please contact Nigel Trickett of Trickett Welding, Business number Tel. (01202) 625050 or Mobile (07831) 657831. Nigel restored the car for Graham and has maintained it for many years.
