February 2022 Half-term break provides Formula 1 interest at Gaydon…

The British Motor Museum team tells us… It's all about Formula 1 fun at the British Motor Museum during half term from 19 – 27 February with a host of exciting racing themed family activities! Families can also discover the much loved British sports cars from manufacturers such as Morgan, Lotus, Triumph, McLaren and Aston Martin within the collection.

Families can drop into the Learning Space to design and make a LEGO® Formula 1 Racing Car every day between 10am – 3pm and 'race' it along a track. Once children have recorded

their time on the pitstop wall, you can take a photo of your car to print out and take home.

A Family Weekend Tour will take place on 19 & 20 and 26 & 27 February at 1:30pm when children can help the Museum's 'resident racing driver' *Jackie Demon* pick out their next drive and discover the amazing racing cars in the Museum's collection.

Professor Pickle and Doctor Pumpkin will be running their ever-popular Science Shows on 21, 22, 24 and 25 February and sharing the secret science of speed. For one day only on Wednesday 23 February, join the STEM ambassadors from MOD Kineton to make and launch 'Rocket Cars.'

There is also a new 'Road Map' family trail enabling children to explore the cars in the collection that are linked by name to different destinations around the world. Simply pick up the 'Road Map' Trail at the Family Activity Station and return for a reward sticker.

Emma Rawlinson, Lifelong Learning Officer at the British Motor Museum said "February's activities are all about helping families engage with our collection in a fun and interactive way, bringing cars to life with great stories, fun facts and hands on science. There is something for all ages to enjoy."

Museum entry is just £40 for a family in advance or £44 on the day, £14.50 for adults in advance or £16 on the day, £12.50 for concessions in advance or £14 on the day, £9 for children (5-16 years) in advance or £10 on the day and under 5s are FREE. There is also the option to Gift Aid or donate your entry fee and get an Annual Pass in return, at no extra cost. All family activities are included in Museum admission and run on a drop in basis, just visit the Family Activity station on arrival to find out what is going on when. All activities are suitable for 3+ years with adult supervision, unless otherwise specified.

To find out more information about February half-term activities please call 01926 641188 or visit the website at What's on at half-term
