The Mini Cooper Register's biggest event of summer 2025...

Beaulieu tells us:

Preparations are nearly complete for [National Mini Day](#), Mini Cooper Register's biggest event of the summer, which will be held on Sunday 8th June at Beaulieu, Hampshire.

Open to all Minis, classic and modern, the theme for the day will be 60th Anniversary of the Monte Carlo Rally win by Mini Cooper S, AJB 44B, driven by Timo Makinen and club honorary member Paul Easter. Normally housed as part of a display at the [British Motor Museum](#) at Gaydon, the car will be the star of this year's show and follows on from last year when the first of the three Monte Carlo winning Minis, 33 EJB, made an appearance.

The club celebrates its 40th anniversary next year but, with the 1966 winning car controversially disqualified, its sequence of displaying winning Minis from 60 years ago will be broken although, hopefully, will resume in 2027.

Last year, the show attracted over 2,000 visitors. There will be trade stands, trunk traders and the ever-expanding concours competition. Other Mini clubs will again be out in force with reservations for over 350 cars made by the end of March.

Visitors can take advantage of the discounted advance ticket price available until 4pm on Friday 6th June, and can book via the Beaulieu website:
