Motoring enthusiasts from all over are counting down to another unmissable [Spring Autojumble](#) at Beaulieu on 16th - 17th May. With hundreds of stands packed with automotive bargains and elusive spares, it's a must-visit weekend for true petrol-heads. This year, event-goers will be treated to some brand-new features, including a Vintage Market, dedicated purely to vintage wares and a Classic Car Park, open to classics of all makes and models.

The new [Vintage Market](#) will offer an area devoted entirely to sellers of vintage and retro treasures, from clothing, collectibles, posters and vinyl, to jewellery, homeware, furniture and toys. Plus, the Sunday of the show will feature a Classic Car Boot Sale, with vintage sellers trading from the boots of their pre-2000 classics. The market will also include live entertainment, a vintage catering unit, and a number of awards ranging from Best Dressed Individual to Best Dressed Stand. All included within the Spring Autojumble ticket, this additional feature will be a must-visit shopping destination for vintage enthusiasts.

Following its success at last year's International Autojumble, the [Classic Car Park](#) will make
