Do you love motoring-related books? If so it’s well worth exploring the wide range of titles published by Porter Press – especially now that they are offering a discount for our readers, advises Kim

Henson.

As mentioned in my very recent review of their excellent Model T book, Porter Press International has sent up a discount code for all their titles for Wheels-Alive readers, who are entitled to 10% off any of their books, except Collectors and Deluxe editions.

The code is WA10 when entered at the checkout via https://porterpress.co.uk/

The photograph accompanying this post depicts a selection of the Jaguar-related titles, but Porter Press coverage of vehicles in terms of age, makes and models, is vast.

Grateful thanks to Porter Press for helping our readers!
