It could only happen in Britain, couldn't it?

A light-hearted look at challenging aspects of driving in the U.K...

If you've ever felt like Captain Oates of the Antarctic – "I'm just going out, I may be some time" – in winter, or maybe have experienced severe road rage on your way to work, you might relate to the car/winter rundown of daily occurrences, currently featured on the

online tyre specialists website: www.oponeo.co.uk

As examples, three of these are shown here, but to see all 15 of them please go to: https://www.oponeo.co.uk/tyre-article/15-very-british-car-problems

These are intended to make you smile, rather than be taken too seriously, so whichever one you choose, just remember that getting angry behind the wheel isn't safe… We recommend laughing the stress off instead of causing an accident.

Stay safe and enjoy!

Driving a convertible with the roof down when the weather is bad enough to spot Sir Ranulph Fiennes and his dog team, because “it’s a convertible”
